HP LaserJet Managed E50045dw

Get a faster startup[1] and help protect against threats with multi-level device security.[7]

Finish tasks faster with a printer that starts right away and helps conserve energy.[1] Multi-level device security helps protect from threats.[7] Original HP Toner cartridges with JetIntelligence and this printer produce more high-quality pages.[2]

Accelerate your work and use less energy

- Don't wait for documents. Print your first page in as few as 8.5 seconds from energy-efficient sleep mode.
- This printer is in low energy use—thanks to its innovative design and toner technology.[5]
- Speed through jobs on a variety of media. Print two-sided documents almost as quickly as one.
- Now almost 30% smaller—this printer fits in tight places and delivers quiet operation.[3]

Unparalleled fleet security and management

- Embedded features detect security threats and heal your printer, protecting it from boot up to shutdown.[7]
- Protect sensitive data stored on the printer and in transit, using embedded and optional security features.[7]
- Protect sensitive business data with embedded and optional HP JetAdvantage Security Solutions.[9]
- Centralize control of your print environment with HP Web Jetadmin[8]—and help build business efficiency.

More. Pages, Performance, and Protection.

- Produce sharp text, bold blacks, and crisp graphics with precision black toner.
- Get more. Original HP Toner with JetIntelligence delivers more pages per cartridge than predecessors.[2]
- Help ensure the Original HP quality you paid for with anti-fraud and cartridge authentication technology.
- Print right away with a preinstalled toner cartridge. Replace it with an optional high-yield cartridge.[6]
