Samsung Xpress C460W

Samsung Xpress C460W

Introducing The New Way To Print With Your Mobile Device.

A Printer That Makes All Smartphones Smarter

Print wirelessly and share effortlessly with the Samsung Xpress 3-in-1 printer. With advanced NFC technology, Wi-Fi Direct and powerful compatibility, all it takes is a simple tap. Get Print On Tap! Simply Tap your mobile device to the Samsung Xpress C460W series to print virtually any content. Scan Scan images and send them directly to your mobile device.

A Printer That Makes All Smartphones Smarter

Print Wirelessly Share Anytime Effortless mobile printing with impressive compatibility, optimised for any task or occasion. Google Cloud Print From Anywhere Google Cloud Print works on Smartphone, Tablet PC, Google Chrome Book, PC/Notebook and Other Web connected devices.

Easy Solution Support

The printer also brings you software support designed to put you in control of delivering ultimate quality printouts easier than ever before. Easy Printer Manager Easy Printer Manager helps to remotely control settings and monitor status easily. Easy Document Creator Easy Document Creator helps you creat digital documents in multiple formats and makes it easy to share them with others - via e-mail, fax or social networks.

3-in-1 Multifunction

3-in-1 versatility, the Samsung C460W printer streamlines workflow and ensures that the office with print operation is working as efficient as possible. With print, copy and scan functionality, the C460W offers flexibility and lets you work with less barriers. A host of innovative features like ID Copy, N-up copy and Scan-to-email ensure that your workforce has the necessary functionality needed to thrive in the modern world of business.

Easy Eco Driver

Remove Images

Conversion bitmap to Sketch

Samsung Eco-Driver earned the 2012 "Outstanding Achievement" Award from Buyers Lab, Inc.

Easy Eco Driver
- Remove Images
- Conversion bitmap to sketch
- Remove Small line
- Remove Text

Easy Eco Driver software, granted the 2012 Outstanding Achievement in Innovation award from Buyers Laboratory (BLI), saves users up to 20 percent on

toner. The software also reduces energy consumption. Users have the option of removing images, converting them from bitmap to sketch, and removing text to save toner using the toner saving mode.

Easy To Use

Designed for simple and intuitive operation the C460W saves you precious time and effort. One Touch Eco Button Just One push of the ECO button and you can save on toner, paper, and energy. Print multiple pages on one sheet, change colour to greyscale or skip blank pages. One Touch WPS Button Connect quickly and securely to your wireless network with the touch of a button, via the one-touch WPS (Wi-Fi Protected Setup). Direct USB Printing Easily print images and documents directly from a USB memory stick with the intuitive menu and navigation keys.

Brilliant Colour Quality For Your Documents

Text, graphs or images - the C460W helps you print anything in brilliant quality that meets even the highest expectations. Its 600 x 600 dpi can be enhanced to an impressive 2,400 x 600 dpi by varying the dots size and the position of the dot itself. This means you can print more detail and have smoother and sharper images. Enjoy Quality Printouts Samsung's unique ReCP (Rendering Engine for Clean Page) Technology improves the overall quality and vibrancy of your colour printing, ensuring every printout looks perfect. It automatically sharpens the focus of both graphics and text, while solid objects are overlapped to eliminate white gaps. Polymerized Toner Our newly developed polymerized toner has smaller and more uniform particles than conventional toner. Meaning, your printouts will have crisper lines and more vivid colours - helping avoid any paper curling. Also, its higher wax content improves the image gloss and enhances the durability preventing unwanted fading.

Ergonomic Design

Don't worry about this printer crowding your space. Its beautiful and compact design makes it a pleasure to share a desk with. Small Size Footprint With a footprint of just 40.6 x 36.2 cm the world's smallest colour laser MFP. Ergonomic Design Its ergonomic design with ebony brown and ice grey colour creates a modern and elegant work environments.
